

## Nomination For BCSOA Official Of The Year

---

An award for Officiating Excellence is awarded annually to a British Columbia Swimming Official who has made a significant contribution to the sport of swimming. The nominee should: exemplify the true spirit of the sport of swimming; demonstrate fair play, integrity, respect for others and a commitment to swimming. The prerequisites for each nominee are that he/she be a Master Official who has been active for the immediate preceding five-year period. An individual may only receive this award once.

Nominations may be made through your Regional Officials Director. A biography of the individual's accomplishments should accompany the nomination. The BOARD of the BCSOA will make the final selection and the award will be made at the BC Swimming Awards Banquet
